September 2019

Dear Parents,

As future members of the Centennial community, we would like to take the opportunity to invite you to apply for our distinguished T.a.G. (Talented and Gifted) program. The T.a.G. program offers two distinct streams depending on your child's strengths and interest.

T.a.G. Math and Science

For all grade six students interested in joining the T.a.G. Math & Science program for the 2020-2021 school year, there is a required entrance test. The entrance test for Math and Science will take place on October 15 from 8:30 a.m. to 10:30 a.m. in Centennial's Library.

T.a.G. Liberal Arts

*New registration process this year

As the T.a.G. Liberal Arts Option begins in grade 8, registration requirements is with grade 5 & 6 report cards, conditional acceptance is based on these report cards. Testing will take place in Secondary I only.

To register:

Please complete the online registration on our website <http://www.crhs.rsb.qc.ca/> or scan the QR code provided below. Online registration will close at 4:30 p.m. on October 10, 2019.

Parents must also electronically submit their child's grade five (year-end) and grade six (term I) report cards to lsauve@rsb.qc.ca.

Although there is no cost for the entrance examination, there is a non-refundable annual fee of \$50 to be part of our T.a.G. Programs.

For more information, please join us on September 25, during our Open House at 8:10 p.m., in Auditorium II for a T.a.G. Parent Information Session to explore the many advantages that our T.a.G. programs have to offer your child. Please refer to our T.a.G. flyer for detailed information concerning the T.a.G. Options.

Should you have any questions, please do not hesitate to contact the following T.a.G. teachers via email: acoones@rsb.qc.ca and jgoodall@rsb.qc.ca (*Liberal Arts Option*) or bdobbs@rsb.qc.ca and brodgers@rsb.qc.ca (*Math & Science Option*).

Warm regards,

A handwritten signature in black ink that reads 'S. Tite'.

S. Tite
Principal
