

CENTENNIAL REGIONAL HIGH SCHOOL

COURSE OUTLINE 2020-2021

Subject: EXPLORATION OF VOCATIONAL TRAINING

Level: Secondary 5 – Option Course

PURPOSE:

1. To help students to recognize the interaction between the LABOUR MARKET, the WORKFORCE and the elements that link and sustain it (interaction, skills, interests, personal strength and weaknesses, training and education)
2. To introduce the spectrum of VOCATIONAL and TECHNICAL programs available to QUEBEC students.
3. To afford students the opportunity to discover the essential factors to be considered when CAREER/OCCUPATIONAL DECISIONS are made.

KEY CONSIDERATIONS:

MYTHS and REALITIES surrounding TRADES and HUMAN POTENTIAL in North American society.

VOCATIONAL TRAINING PROGRAMS in Quebec's Education System

JOB MARKET considerations

SOCIOECONOMIC and CULTURAL influences

GENDER biases

CHANGE IS CONSTANT!

EVALUATION:

COMPETENCY 1: The student EXPLORES VOCATIONAL TRAINING:
Consults different sources of academic and career information
Learns about different trades and occupations
Takes stock of his or her discoveries

COMPETENCY 2: The student contemplates his/her suitability for vocational training
Contemplates future possibilities
Shares his/her reflections

CATEGORY OF ACTIVITIES: Observation, Reflection, Information Experiential
