Make Your Mark in the CRHS Library!

This year, we're inviting students to **leave their mark** in the CRHS Library! Here's your chance to get creative and show off your love of reading by designing your own **library book brochure**. Choose a genre or come up with your own unique category using books from the CRHS Library collection.

💎 Work **individually** or **team up**

📖 Explore, research, and highlight your favorite reads

🧠 Be creative — design, write, and make it your own! The only rules are they must be available in the CRHS library, and you must have 10-15 books featured in your brochure. **The brochures can be in English (Fiction) or in French (Romans).**

🏆 Your brochure will be proudly displayed in the library for everyone to see/take.

Interested? Questions? See Ms. Hepworth in the Library
