Sharing Centennial's Pride

April 2025

"If someone is willing to teach you something for free, take them up on it. Do it. Every single time." -Chris Hadfield

MURAL in the 1st Student Lounge!

Over 40 students participated in the creation of a beautiful mural in our first student lounge. Over three days the mural was painted, with a great effort from both students and staff. Centennial is so proud to showcase our talented students!

Tips for Parents: Having a 'no device' room of the house is a new trend! Try creating a physical space dedicated to disconnecting from the addictive appeal of social media and devices, and reconnect with loved ones. Source: Canada Post

CRHS SPOTLIGHT: JUNIOR SLAM POETRY

Celebrating Poetry Month, our Secondary 2 and 3 students performed their Slam Poems in front of their peers in our annual Slam Poetry Competition. Over 45 students participated this year in both solo and duet efforts!

Congratulations to all of our amazing poets!

Burgundy in our Blood, Gold in our Bones

E-Fair Approaches

Entrepreneurial Fair is right around the corner, with all students in Grade 11 testing their business acumen! E-Fair is one of CRHS' most exciting events, allowing students to craft a business vision, engage in market research, and attempt a business launch-- all at school!

Quebec City Trip

Grade 9 students traveled to Quebec City to take in the sites and historical magnitude of one of UNESCO's World Heritage Sites.

Did you know that Quebec City is one of only two fortified cities in North America? The other being Mexico City.

Flag Football Returns

Flag Football season returns with Bantam, Cadet and Juvenile teams assembled and moving down the gridiron! Go Chargers!

PARIS TRIP!

Over 20 students took an international flight to Paris, France this year, to see the Louvre, the Eiffel Tower and so much more. We certainly are a globetrotting school!

STAFF READING PICKS

Ms. Goodall is reading *Slow Dance*, by Rainbow Rowell-- a YA Novel about two friends who find their way back to one another.
