

CHARGERS' MONTHLY

CELEBRATING STAFF & STUDENTS

Student Life

Happy Halloween 🎃

Halloween at CRHS

This year we saw an extraordinary amount of participation, staff and students dressed up and many took part in the costume contest at lunch. *The Middle School Pumpkin Carving Challenge* did not disappoint once again, and the creativity of each core class was on full display.

Academics & Art

Academic Awards

Over 150 students were honored at this year's academic awards. Students were honored with Subject prize awards, Honours medals and plaques for over all third and second Highest Academic Achievement, along with the Top Scholar for each grade level. Congratulations to all our recipients.

Congratulations to Logan H., a graduating student, on being awarded the Montréal Alouettes Scholarship this year for his outstanding contribution to CRHS as a student athlete.

He is a leader, mentor, all around example of a Charger Student Athlete.

Ottawa Trip

Students from secondary 3 Liberal Arts, secondary 4 and WOTP had an amazing trip to Ottawa this past Thursday!! They visited Parliament Hill and the Canadian War Museum to learn more about our Canadian History.

Staff Spotlight

Each year, teachers sign-up to be *Individualized Education Plan* coordinators for our students. They work hard meeting with students, talking to parents and tailoring the IEP to best suit the needs of the student. When this process is over, our dedicated IEP team reads and reviews every detail. This collaborative effort enables hundreds of our students and their parents to receive the academic, and social-emotional information that is needed to help them learn.

What our staff is Reading:

Trauma Complexe: Comprendre, évaluer et intervenir
By Tristan Milot, Delphine Collin-Vezina et Natacha Godbout

Kids These Days by Jody Carrington PHD

The Forest of Vanishing Stars by Kristin Harmel

A Passage from our Reading

"A RELATIONSHIP WITH THE ONE YOU ARE TRYING TO TEACH, LEAD, OR LOVE IS WHERE ALL THE POWER LIES."

— Jody Carrington, Kids These Days

A Message from the Principal

Dear CRHS community,

First Term is over, and we are now preparing our first report card. It's important to acknowledge the excellent work of everyone involved, especially Elaine Roberge-Renaud, our resource center coordinator, and her entire resource team. Their commitment and dedication are exemplary. Many students benefit from the expertise of our resource teachers. This support takes many forms:

- In-class support
- Individual or small group support
- More time for assignments and tests
- A quiet place to work and/or take tests
- After-school SOS on Tuesdays and Thursdays
- Lunchtime support
- Power hour every morning

The success of our students is everyone's responsibility. Encourage your children to ask for help and go the extra mile.

On a lighter note, Halloween Day was a real success. What great energy we can have at CRHS! I was impressed by the great participation of our students. Creativity was all over the school!

I wish everyone a wonderful second term!

Sophie Compagna

Principal

IEP Team

Nathalie Fortier, Julia Sehmer, Elaine Roberge-Renaud, Ester Boules, Tamara MacCaul, Emilie Audet-Paquette and Navid Moein

Dates to Remember

November 23	Pedagogical Day
November 24	Pedagogical Day
December 3	CRHS Annual Craft Fair
