Our school has begun the Shoebox Project 2023 Campaign. Many women in the Montérégie are affected by homelessness, this project is a chance to bring them a bit of joy during the Holidays. It helps women particularly in our community, many are escaping domestic violence/abuse. Last year, our gift boxes were donated to *Pavillon Marguerite de Champlain*, a shelter in Greenfield Park where forty women were seeking help. Centennial not only managed to make forty boxes in order for each woman to receive a Christmas gift, we were also able to donate ten additional boxes to another shelter. Students can drop off their items for donation at the collection tables during the lunch period. Anything from the list would be greatly appreciated!!
