WORK RESPONSIBILITY

1. N.B. Students are responsible for all class work, tests and assignments missed through absence
2. Students are encouraged to type all their work and bring their devices to class upon the discretion of the teacher.
3. **Assignments not handed in:** If a student is absent when an assignment is given and the absence continues for 3 or 4 more days due to genuine illness or other legitimate reason, that student is given the option of making up the assignment or receiving no mark and is therefore not penalized when the term mark is calculated. This policy would apply only to those students who are rarely absent. Students who are frequently absent on the day assignments are given out should be reminded that it is their responsibility to find out from their writing partner what the assignment is and when it is due.
4. **Assignments handed in late:** Upon the discretion of the teacher, students will receive penalties for late assignment in the range of 5-10% a day.
