

CENTENNIAL REGIONAL HIGH SCHOOL

COURSE OUTLINE 2020-2021

SUBJECT: Basic French & French Enriched

LEVEL: Secondary 1

COURSE DESCRIPTION AND COMPETENCIES:

Students will actively engage and experience varied opportunities and meaningful contexts for language use which in turn will help them in the three competencies:

Interagir en français

- Classroom discussions
- Structured small group discussions

Lire en français

- Use of authentic documents (written or audio visual) to read and understand
- Novel(s) to study at length with the accompanying exercise book(s)

All of the above to improve the students' understanding and to enrich their vocabulary of the French language.

Produire des textes variés en français

- Compositions varying in length depending on the topic
- Different tenses of verbs to conjugate
- Grammar
- Research on different topics and presentations in front of an audience
