

CENTENNIAL REGIONAL HIGH SCHOOL

COURSE OUTLINE 2020-2021

SUBJECT: Basic French & French Enriched

LEVEL: Secondary 5

COURSE DESCRIPTION AND OBJECTIVES:

Students will actively engage and experience varied opportunities and meaningful contexts for language use which in turn will help them in the three competencies:

Interagir en français

- Structured small group discussions
- Classroom discussions

Lire en français

- Use of authentic documents (written or audio/visual) to read and understand (i.e. newspaper articles and movies)
- Novels to study at length
- Reading short stories

All of the above to improve the students' understanding and to enrich their vocabulary of the French language

Produire des textes variés en français

- Compositions varying in length depending on the topic
- Research on different topics and presentations in front of an audience
- Different tenses of verbs to conjugate
- Grammar
