June 1, 2016

Dear Parent/Guardian,

It is hard to believe that the school year is coming to an end and that our students are preparing for their exams. I would like to take this opportunity to thank you for another outstanding year and I look forward to seeing all our returning students. To our graduating family and students, congratulations and best of luck for the future.

The month of June is a very important time for your child. **Please read below** for all the important information:

- Locker clean out - Remind your child to bring home any material not needed in the locker (winter clothes, extra shoes, old Tupperware, etc.)
- Exam schedule - Ensure that your child knows when his/her exam will be written. The exam schedule is posted on our website.
- Attached are the rules that must be followed when writing the up-coming June exams. These rules need to be discussed with your child.
- The bus schedule is attached. It indicates when extra buses are available following morning exams. All students are expected to go home after their exams.
- The cafeteria will be closed as of June 6. Please ensure that your child has a good breakfast. Students will need to bring a lunch if they have exams in the afternoon.
- IEPs will be sent home this week. Please ensure that you sign a copy and return it to the front office.
- Term 3 report cards will be available at the end of June. An email will be sent informing parents of when report cards are available on the portal.
- Future grade 11 students and parents, **see attached flyer for our first “grads only” trip for 2016-2017.**

There will be changes to the administrative team at Centennial next year. Mr. Steven Carroll has been reassigned to Heritage Regional High School. Mr. Carroll has been a very valuable member of our team for the past five years; he will be missed. I know you will join me in wishing him the best of luck with his new assignment.

Have a great summer!
